**Specifications:**

**Seamless and Welded Pipes and Tubes:**

ASTM B 161	ASTM B 163	ASTM B 165	ASTM B 167	ASTM B 424	ASTM B 444
ASTM B 468	ASTM B 515	ASTM B 516	ASTM B 622	ASTM B 626	ASTM B 704
ASTM B 705	ASTM B 729	ASTM B 751	ASTM B 757	ASTM B 775	ASTM B 829

**Fittings:**

ASTM B 366	ASTM B 564
------------	------------

**Flanges:**

ASTM B 462	ASTM B 564
------------	------------

**Sizes for Tubes, Pipes, Fittings and Flanges**

Tube size	from OD 6 – 38 mm	Pipe size	1/2" NB -12" NB	Wall thickness	Sch 10 – Sch XXS
-----------	-------------------	-----------	-----------------	----------------	------------------

**Plates** starting from 1 – 20 mm, standard width and length as well special shape

ASTM B 127	ASTM B 162	ASTM B 168	ASTM B 443	ASTM B 409	ASTM B 424	ASTM B 446	ASTM B 575
------------	------------	------------	------------	------------	------------	------------	------------

**Bars** starting from DIA 6 – 200 mm, standard lengths

ASTM B 160	ASTM B 164	ASTM B 166	ASTM B 408	ASTM B 425	ASTM B 446	ASTM B 473	ASTM B 574
------------	------------	------------	------------	------------	------------	------------	------------

**Standard Stock Grades acc. to ASTM and DIN:**

TPS Techalloy 200	UNS N02200	2.4066	TPS Techalloy 800	UNS N08800	1.4876
TPS Techalloy 201	UNS N02201	2.4068	TPS Techalloy 810	UNS N08810	1.4876
TPS-Techalloy 400	UNS N04400	2.4360	TPS Techalloy 811	UNS N08811	1.4876
TPS Techalloy 600	UNS N06600	2.4816	TPS Techalloy 825	UNS N08825	2.4858
TPS Techalloy 601	UNS N06601	2.4851	TPS Techalloy 20	UNS N08020	2.4660
TPS Techalloy 625	UNS N06625	2.4856	TPS Techalloy 276	UNS N10276	2.4819

## Nickel and Nickel Alloys

For Tubes, Pipes, Fittings,  
Flanges, Plates  
and Bars

Details see  
[www.techalloy.de](http://www.techalloy.de)

**Special Services:**

- either from stock or new production
- bevelling of ends (for pipes)
- colour code marking
- supplementary testing and third party inspection
- Piping/Tubular packages

Beyond our stock supply we can offer you all these products with

- standard delivery time
- from special delivery – quick delivery service

For Product enquired with delivery times we can support you with more material grade in Nickel Alloys such as UNS N8031, UNS N 7718, etc., please send us your esteemed enquiries.

See more of our Pipe, Tubulars and Accessories supply range at [www.tpsd.de](http://www.tpsd.de)
